**Complimentary water** is available on your desk.

We are committed to sustainability and the KM0 philosophy. We micro-filter our water so that you may enjoy this with complete peace of mind. Quality water which is respectful of the environment. Our bottles are made from reusable glass, a material which safeguards contents and avoids generating waste.

We remind you that the bottle is for using in your room during your stay and that you may ask reception to refill it for you whenever you want to.

**If you would like to keep the bottle as a souvenir, you can purchase it for 15,00 €. Please advise at the Reception.**

We inform you that all the bottles and glasses have been disinfected and you can use them safely.
